Innovative Training Designed by Experts

As an insurance professional, you work hard to bring top candidates into your organization. We understand that superior pass rates and high-quality learning are critical to your success; that's why we partner with companies like yours to deliver learning solutions that help you and your candidates succeed. Our industry insiders utilize today's latest eLearning technologies and innovations to create and deliver a training program that is flexible, accessible, and interactive. We accelerate the licensing process so they can start becoming contributors for your organization faster.

Why should you choose ExamFX as your prelicense training partner? Here are just a few benefits:

Pass Rates

Candidates report over 90% pass rates. This path to success is backed by our Pass Guarantee.

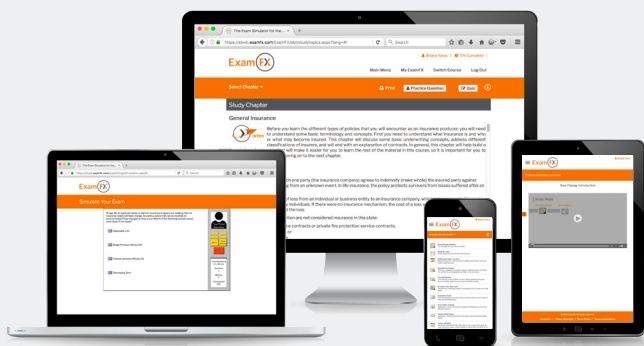

Industry Insider Training Development

Experienced content experts work alongside regulators and testing vendors to develop the most up-to-date eLearning curriculum available in the industry.

OnDemand Video Lectures

Designed by experts and available for all major study topics, our OnDemand Videos are the latest expansion to the Interactive Learning Portal.

What our users have to say

I was referred to ExamFX by a colleague. I rigorously studied for five days. It was thorough and not the typical 'bland' course with short film clips to reinforce key concepts. The simulation and guarantee exams gave me an idea of what to expect. I passed the state exam on the first attempt—no easy feat but definitely made possible because of ExamFX. Thank you!

Matt - Life Insurance, New Hampshire

Learn more about our Pass Guarantee

We are so confident in our training program that we guarantee each candidate will pass his or her exam on the first attempt. If a candidate fails the state exam within three days after scoring 80% on the Guarantee Exam, we will refund the cost of the material.

Enhanced Manager Tracking

Performance is essential in your candidates’ path to becoming licensed. Our tracking program gives you real-time insights on individual study progression through dashboards, emails and custom reporting capabilities.

Interactive Learning Portal

The Interactive Learning Portal is the center of our expertly designed online platform; with rich content, videos and other important tools, we ensure success the first time.

Improved! Online Simulated Exams

Newly doubled question banks thanks to our merger; the Simulate Your Exam feature prepares users in a realistic, computer-based exam environment, building confidence and ensuring success.

Streamlined Study Paths

Recommended study paths outline when to use each training feature; helping to ensure candidate success. Completely adaptable to meet your organization’s recruiting or onboarding schedules.

Live Online and In-Person Training

Industry expert-led live training options provide candidates a hands-on learning environment, in a cost-effective manner. Live training increases candidates overall first time pass ratios and provides interaction with content experts.

Unparalleled Trainer Support

Industry experts are available to answer questions that may arise during study. We help keep users on track for success with our decades of experience.

Printed Study Materials

We provide printed study guides, flashcards and tip sheets that align to our training programs and assist in accelerated learning of the material.

Success Starts Here

The new ExamFX was formed by a merger with TesTeachers and ExamFX; this merger brought together two premier national training leaders of insurance and securities preclicensing and continuing education. Combining streamlined content, cutting-edge online tools and highly-predictive practice exams, we ensure candidates of all learning styles will be prepared for exam day.
